

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: AEPP-040-06
Name: TOWN OF BELLE PLAINE: Cloverleaf Lakes Boat Launch Monitoring Project
Type: Aquatic Invasives Grant
Subtype: Aquatic Invasives Education
Status: COMPLETE
Start Date: 04/01/2006
End Date: 12/31/2006
Purpose: The Town of Belle Plaine, on behalf of the Cloverleaf Lakes Protective Association, proposes to conduct boater education and boat inspection by implementing the "Clean Boats, Clean Waters" watercraft inspection program during 2006. The project elements and deliverables are specified in the Town of Belle Plaine Aquatic Invasive Species Control Grant application, dated January 9, 2006. The project includes hiring a coordinator to recruit, train and schedule volunteers; educating boaters about aquatic invasive species and the measures to prevent their spread; and entering data into the State's online Watercraft Inspection Database. A final report summarizing the project will be provided to DNR. Watercraft inspection records will be entered into the State's online Watercraft Inspection Database.

If consultant is to provide the final report, it is recommended the Grantee provide the DNR Aquatic Invasive Species Coordinator with a draft for comment on report adequacy prior to making final payment to the consultant. DNR to receive both paper and electronic .pdf copies of the final report along with, or prior to, submission of grantee's final payment request.
