

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-107-06
Name: SAUK COUNTY LAND CONSERVATION DEPARTMENT: Otter Creek
Type: River Grant
Subtype: River Planning Grant
Status: COMPLETE
Start Date: 07/01/2005
End Date: 12/31/2008
Purpose: Landowners need to be engaged in the discussion of Otter Creek and feel that their concerns are heard and responded to. To do this, we aim to create a non-profit corporation, such as the Otter Creek Association (suggested name for use in this application). It's broad purpose would be to organize efforts to protect and enhance the creek and its watershed. Once the group is formed and incorporated, we will conduct an organizational assessment to establish goals, strengths, weaknesses and areas where capacity needs to be built.

A full description of the project goals and objectives are in the grant application, which is a part of the application.
