### Documents

Title	Description	Author	Published	Comments
ENGLISH LAKE MANAGEMENT PLANNING - Phase II	An initial resource assessment of English Lake, Manitowoc County, Wisconsin was conducted in 1992 as Phase I of Lake Management Plan Development; this document presents the results of Phase II plan development activities. Phase II objectives were to supplement Phase I data specifically with respect to more intensive assessment of areas of concern in the watershed, continuation of water quality monitoring and public involvement, and evaluation of recreational use and sanitary systems.
