

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: LPL-555
Name: EAGLE SPRING LAKE MANAGEMENT DISTRICT: Eagle Spring Septic Systems Evaluation
Type: Lakes Grant
Subtype: Large Scale Lake Planning
Status: COMPLETE
Start Date: 04/01/1998
End Date: 12/31/1999
Purpose: The Eagle Spring Lake Management District will: 1.) Provide information on maintenance of household onsite sewage disposal systems to residents within the district; 2.) Conduct a visual inspection of onsite sewage disposal systems. This inspection will seek to identify failed or failing onsite sewage disposal systems; 3.) Inspectors will discuss details of the individual spetic system, any operational problems, age of system, load to system and maintenance history; 4.) Review of existing data pertaining to the soils and other pertinent information relating to the suitability of onsite sewage disposal systems in the Eagle Spring Lake area; 5.) Formulate a district on site sewerage disposal policy and make management recommendations for district consideration. The Department of Natural Resources will be provided with both written and electronic copies of the final report.
