

## Wisconsin Department of Natural Resources SWIMS Project Summary

### General Project Information

**Project ID:** RP-027-01  
**Name:** POLK COUNTY: Apple River Association Development & I&E Project  
**Type:** River Grant  
**Subtype:** River Planning Grant  
**Status:** COMPLETE  
**Start Date:** 10/18/2000  
**End Date:** 06/30/2003  
**Purpose:** The Polk County Land & Water Resources Department will conduct an organizational development and informational & educational project in the Apple River watershed in Polk County. Activities involved with this project include; organization of a Citizen Forum to collect local input on river threats, etc., assist in the creation of an Apple River Association, development of outreach materials and assist in the development of an Apple River Association newsletter, conduct a sociological land owner survey, conduct public meetings and generate news releases on project status and results, and conduct a shoreline video survey. Reports of ongoing project activities will be disseminated via brochures(s), meeting(s) and workshop(s), and the preparation of a final report.

Specific deliverables for this grant project include:

? A final report that summarizes the grant project activities and includes examples of outreach materials that were developed.

The Department of Natural Resources will be provided with both a paper copy and an electronic copy of the final report. The project results will be disseminated to the public by brochure(s), public meeting(s), and local newspaper articles.
