

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: ASPL-011-04
Name: POST LAKES P & R DISTRICT: Aquatic Invasive Education - Langlade Co. Waterways
Type: Aquatic Invasives Grant
Subtype: Aquatic Invasives Education
Status: COMPLETE
Start Date: 05/01/2004
End Date: 06/30/2005
Purpose: The Post Lake P&R District, in cooperation with the Langlade County Waterways Association (LCWA) will sponsor an aquatic invasive species education project which will create a flyer as an insert in the local papers that cover Langlade County. This flyer will be given to local lake associations for distribution to their members. Also, the flyer will go in the Shoreline Friends packets. This project is an expansion of a previous purple loosestrife education project, which will now be expanded to include all aquatic invasives. This project also covers the cost of booth rental for county fair and Post Lake Fair. Volunteers will donate their time to man the booths. The project also includes a Langlade County Youth Fair and Adopt-A-Lake programs in the White Lake and Elcho School districts.

A final report shall be provided to the Department at the end of the grant period, which will include copies of the flyer and any adds developed as a part of the project in addition to a summary of all activities accomplished through the project.
