

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: LPL-738-01
Name: PINE LAKE PROPERTY OWNERS ASSN: Pine Lake Management Plan Phase I
Type: Lakes Grant
Subtype: Large Scale Lake Planning
Status: COMPLETE
Start Date: 06/07/2001
End Date: 12/31/2002
Purpose: The Pine Lake Property Owners Association proposes to begin development of a comprehensive lake management plan for Pine Lake. The study will take place in two phases. This is phase one of the study and will include the following: 1) surface water quality monitoring; 2) determine areas of groundwater inflow and outflow along with the quality of the groundwater flowing into the lake; 3) aquatic plant survey and sediment/plant/interstitial water evaluation; 4) fishery survey; 5) surface and groundwater watershed analysis; 6) shoreland and sensitive area assessment; and 7) watershed resident survey. Results from this phase of the study will be summarized and presented to the Pine Lake watershed residents at the Association's annual meeting and picnic.

A progress report will be submitted to the DNR after completion of phase one of the study with a comprehensive final report being submitted after completion of phase two.

Objective:
Comments: Grantee is PINE LAKE PROPERTY OWNERS ASSN
