

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-049-02
Name: ST. LOUIS RIVER CITIZEN ACTION COMMITTEE: Membership Recruitment for the St. Louis & Nemadji River Stewardship
Type: River Grant
Subtype: River Planning Grant
Status: COMPLETE
Start Date: 10/02/2001
End Date: 12/31/2002
Purpose: The St. Louis River Citizens Action Committee will conduct an organizational development and informational & educational project in the St. Louis and Nemadji River watersheds in Douglas County. Activities involved with this project include; distribution and dissemination of informational and educational materials on the Nemadji River Basin Project and the St. Louis River Area of Concern and the Remedial Action Plan, conduct and support of workshops and workgroup activities, expansion of the organizations Internet site, creation of a "health scorecard" for rivers to increase public understanding, and increasing the membership and participation in the activities of the organization. Reports of ongoing project activities will be disseminated via newsletter(s) or brochures(s), meeting(s), and the preparation of a final report.

Specific deliverables for this grant project will include:

A final report that summarizes the grant project activities and includes examples of outreach materials developed.

The Department of Natural Resources will be provided with both a paper copy and an electronic copy of the final report. The project results will be disseminated to the public by brochure(s), public meeting(s), and local newspaper articles.

Objective: Reports of ongoing project activities will be disseminated via newsletter(s) or brochures(s), meeting(s), and the preparation of a final report.

Specific deliverables for this grant project will include: A final report that summarizes the grant project activities and includes examples of outreach materials developed.

Comments: Grantee is ST. LOUIS RIVER CITIZEN ACTION COMMITTEE

Outcome: The Department of Natural Resources will be provided with both a paper copy and an electronic copy of the final report. The project results will be disseminated to the public by brochure(s), public meeting(s), and local newspaper articles.
