

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-071-04
Name: ROCK RIVER COALITION, INC: Rock River Basin Shoreline Restoration Project
Type: River Grant
Subtype: River Planning Grant
Status: COMPLETE
Start Date: 07/01/2003
End Date: 06/30/2005
Purpose: The Rock River Coalition will provide assistance and direction to local municipalities in order to stabilize and restore 12 critical shoreline areas within the Rock River Basin.. Project deliverables include: restoring a native shoreline to provide a natural habitat for wildlife, controlling erosion due to fluctuating water levels, creating a buffer strip along the parkland, education outreach, including local residents with hands on involvement for river protection, creating additional green space, minimizing soil loss, and controlling surface water runoff.

A full description of project scope and deliverables is available in the grant application, which is part of this agreement. The DNR will be provided with both a paper copy and an electronic copy of the final report. Information will be disseminated to the public as described in the grant application.

Objective:
Comments: Grantee is ROCK RIVER COALITION, INC
Outcome:
