

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-079-04
Name: NE WISCONSIN LAND TRUST: Gilson Creek Glades Protection Project
Type: River Grant
Subtype: River Planning Grant
Status: COMPLETE
Start Date: 07/01/2003
End Date: 06/30/2005
Purpose: The Northeast Wisconsin Land Trust is proposing to develop a Community Conservation Initiative focusing on the Gilson Creek watershed located in the northeast corner of Brown County. There are two components to the project: 1) A planning component, which consists of convening planning partners and creating a site conservation plan with community input. 2) A community partnership component, which consists of outreach to landowners, community members and potential financial partners to build the private-sector base needed for protecting critical land and water resources through resource management agreement, conservation easements and preserve acquisitions. A final report will be provided both in hard copy and electronic form. See application's project proposal for further details.
