Fox Lake Aquatic Plant Survey Report 2004-2005		Hey And Associates	05/23/2006	
Fox Lake Management Strategy Evaluation Report and Recommendations for Future Action - 2008	In 1995 a long-range management strategy for Fox Lake was developed by an advisory committee that included FLILPRD, WDNR, Dodge County, University of Wisconsin-Extension, Town of Fox Lake, City of Fox Lake, and civic and sportsman groups. The project management strategy is outlined in a report titled, Long Range Planning Strategy for the Rehabilitation of Fox Lake, Dodge County (R. A. Smith and Associates, Inc. 1998). This report is intended to be an amendment to the 1998 management plan and guide the Fox lake community in the maintenance of the restoration measures achieved as part of the last decade of management.
