

## Wisconsin Department of Natural Resources SWIMS Project Summary

### General Project Information

**Project ID:** RP-111-06  
**Name:** GLACIERLAND RC&D, INC.: Sheboygan River Basin Partnership I&E  
**Type:** River Grant  
**Subtype:** River Planning Grant  
**Status:** COMPLETE  
**Start Date:** 07/01/2005  
**End Date:** 12/31/2007  
**Purpose:** Glacierland Resource Conservation and Development Incorporated is sponsoring the river planning grant application for the Sheboygan River Basin Partnership (SRBP) team. The grant amount requested is \$9,483.00 with a total project budget of \$12,644.00

The SRBP proposes to develop partnerships and conduct educational programs and events. The overall goal for this project is to hire a part-time contractor to work with the SRBP board and advisors to develop and begin implementation of a communication and education plan. This plan will be more specific than what is written pertaining to communication and education in the organization's general strategic plan. In addition, the contractor will develop a web-site for SRBP; develop a promotional brochure and Power Point presentation; and will establish a periodic form of broad communication with partnership members and community residents.

Project deliverables will include a communication and education plan document; stand-alone web-site; promotional brochures; Power Point presentation; and quarterly reports and a final project report.
