

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: LPL-1035-05
Name: VILLAGE OF EAST TROY: Planning Program for East Troy Pond
Type: Lakes Grant
Subtype: Large Scale Lake Planning
Status: COMPLETE
Start Date: 04/01/2005
End Date: 12/31/2007
Purpose: The Village of East Troy will study the East Troy impoundment. A report will be produced containing the following elements: 1) bathymetric survey map; 2) results of the sediment depth testing and a sediment depth map; 3) results of two sediment core samples tested for all the standard parameters listed in NR 347; 4) estimation of sediment/contaminant loading with the use of WILMS modeling; 5) results of the wetland delineation; 6) a survey map of the wetland boundaries; 7) evaluation of public access and 8) minutes from two public informational meetings. The report will be the project deliverable.

Objective:
Comments: Grantee is VILLAGE OF EAST TROY
