

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-129-07
Name: WAUPACA CO. NATURAL RESOURCES FOUNDATION: Wolf River Conservation Alliance Organization Development
Type: River Grant
Subtype: River Planning Grant
Status: COMPLETE
Start Date: 07/01/2006
End Date: 06/30/2008
Purpose: The Waupaca County Natural Resources Foundation proposes to organize the Wolf River Conservation Alliance. The Alliance will be a coalition of non-governmental organizations with interests in land conservation, habitat restoration, and environmental education related to protecting and improving the health of the Wolf River and protecting and restoring land in the areas known as the Wolf River Bottomlands. Specifically, the organization will conduct a formal organizational assessment, assist in local strategy development by supporting the development of a citizen-led site conservation planning process, and finally, develop a sustainable leadership structure in order to establish a method of operation for the Alliance. The project elements and deliverables will be completed as described in the project proposal submitted to the Department and dated May 1, 2006.
