

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: AEPP-072-07
Name: GORDON/ST. CROIX FLOWAGE ASSOCIATION: Gordon/St. Croix Flowage AIS Prevention & Education Project
Type: Aquatic Invasives Grant
Subtype: Aquatic Invasives Education
Status: COMPLETE
Start Date: 04/01/2007
End Date: 12/31/2007
Purpose: The Gordon St. Croix Flowage Association is sponsoring an AIS prevention project including monitoring of launches by boat inspections, an aquatic plant survey, & construction of a kiosk to inform the public of AIS. A consultant will be hired for administration; a part-time supervisor will be hired to train, schedule, & oversee paid & volunteer workers; an aquatic plant survey will be completed with the assistance of UW-Stevens Point.

Activities include:

1. Public landing boat inspections & boater education from Memorial Day weekend to Labor Day weekend and fishing opener weekend.
2. Aquatic plant survey using the Point Intercept Survey method; aquatic macrophyte samples to be sent to a herbarium for identification
3. Construction of an information kiosk at the landing to increase boater awareness of AIS.

Project deliverables include a comprehensive report including:

- 1) Documentation of donated time & services related to grant administration.
- 2) AIS related brochures & educational materials
- 3) Verification of inspector & monitor training including agendas & attendance lists.
- 4) Watercraft inspection reports including time & number of people reached & CB/CW survey results.
- 5) Aquatic plant survey report including supporting graphs & maps.
- 6) Photos of the educational kiosk.

Special conditions: The project sponsor shall immediately contact the DNR in the event of a new AIS infestation.

This scope summarizes the grant application and does not supersede application specifics. Data, records, and reports, must be submitted to the Department in a format specified by the Lake Coordinator. If a consultant is to provide the final report, it is recommended the Grantee provide the Lake Coordinator a draft for comment. DNR will receive both paper and electronic copies of the final report.

Objective:
Comments: Grantee is GORDON/ST. CROIX FLOWAGE ASSOCIATION
