

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: AEPP-074-07
Name: BAYFIELD COUNTY: Protecting the Pike & Delta Chain of Lakes through AIS Education, etc.
Type: Aquatic Invasives Grant
Subtype: Aquatic Invasives Education
Status: COMPLETE
Start Date: 04/01/2007
End Date: 12/31/2007
Purpose: Bayfield County is sponsoring a continuing AIS prevention & education project on the Pike & Delta Chain of Lakes which includes emphasizing containing & prevention of spread of EWM.

Activities include:

1. Hiring a part-time coordinator to train, schedule, and oversee paid & volunteer workers;
2. Conduct a Clean Boat/Clean Water boat inspection program at the public landing
3. Educate campground & park visitors about AIS prevention
4. Conduct monthly AIS shoreline monitoring
5. Provide AIS education materials to businesses and Iron River Chamber of Commerce.

Project deliverables include a final report including:

- 1) Documentation of donated time & services related to grant administration
- 2) Watercraft inspection report including time & number of people reached; CB/CW survey results; Inspection results entered into the CB/CW database.
- 3) Shoreline and aquatic surveillance results including boat & shoreline monitoring observations of any detected AIS with maps.
- 4) A list of businesses and Chamber of Commerce supplied with educational materials including copies of the education materials.
- 5) Report summary presented to the Bayfield County Board of Supervisors.
- 6) AIS related materials generated or paid for by this grant.

Special conditions: The project sponsor shall immediately contact DNR in the event of a new AIS infestation.

This scope is intended to summarize the detailed scope provided in the grant application and does not supersede grant application specifics. Data, records, and reports, including GIS-based maps and digital images, must be submitted to the Department in a format specified by the regional Lake Coordinator. If consultant is to provide final report, it is recommended that Grantee provide DNR Lake Coordinator with a draft for comment on report adequacy prior to making final payment to the consultant. DNR to receive both paper and electronic copies of the final report

Objective:

Comments: Grantee is BAYFIELD COUNTY
