

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: AEPP57219
Name: NORTH SAND LAKE ASSOCIATION: I-LIDS Landing Camera Monitoring for AIS Transportation
Type: Aquatic Invasives Grant
Subtype: Aquatic Invasives Education
Status: COMPLETE
Start Date: 02/15/2019
End Date: 12/31/2019
Purpose: North Sand Lake Association is sponsoring a project to install an I-lids automated video surveillance system at the public boat landing. The final deliverable is a project summary report, including use observations and alleged violations and enforcement outcomes.

Special conditions: A land use agreement or some other documentation with the boat landing owner that describes approved use of video surveillance must be in place prior to installation. Local law enforcement, including Burnett County Sherriff2019s Department, town constable, and local DNR warden(s) must be contacted prior to installation to coordinate the law enforcement response/expectation should an alleged violation occur. Surface water grant funding for video surveillance requires an established watercraft inspection program prior to installation and that the watercraft inspection program continue through the duration of the funding period.

The specific objectives, metrics, and deliverables for the listed activities are included in the application and supporting materials, and this scope is not intended to replace or supersede those documents.
