

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-172-10
Name: BAD RIVER WATERSHED ASSOCIATION: Marengo River Action Plan
Type: River Grant
Subtype: River Planning Grant
Status: COMPLETE
Start Date: 07/01/2009
End Date: 06/30/2010
Purpose: The Bad River Watershed Association is sponsoring a project that focuses on community outreach and the formation and direction of a Citizen Involvement Committee to guide the Marengo River Action Plan for the Marengo River watershed. The project is part of a broader Marengo River Watershed Partnership, which will identify, prioritize, and coordinate management actions. Specifically, the Citizen Involvement Committee will compile existing sociological surveys to prioritize public interests, develop conservation incentive program summaries for citizens, hold 5 focus group meetings with targeted audiences, and summarize and integrate focus group feedback into the Plan. The goal is to recruit 25 new members and 10 new organizational leaders through this effort.

The final deliverable includes: a final report with 1) sociological survey(s) compilation, 2) conservation program summaries, 3) focus group meeting attendance summaries and minutes, 4) focus group roadmap for Plan integration, and 5) list of new members or leaders recruited.

This scope is intended to summarize the detailed project scope provided in the application and does not supersede those application tasks/deliverables. Data, records, reports, and education materials, including GIS-based maps and digital images, must be submitted to the Department in a format specified by the regional lake coordinator.
