

## Wisconsin Department of Natural Resources SWIMS Project Summary

**General Project Information**

**Project ID:** AEPP-237-10  
**Name:** YELLOW LAKES AND RIVER ASSOCIATION: 3 Year AIS Inspection & Education Project  
**Type:** Aquatic Invasives Grant  
**Subtype:** Aquatic Invasives Education  
**Status:** COMPLETE  
**Start Date:** 04/01/2010  
**End Date:** 06/30/2013  
**Purpose:** The Yellow Lakes and River Association is sponsoring an AIS prevention and education project including a Clean Boat/Clean Water inspection program at the public boat landings supplemented with ILIDS, inspector training, lake resident education about inspection and AIS prevention, information brochure, mailings, and information signage at landings.

Deliverables include a final report summarizing project accomplishments including: 1) Watercraft inspection and lake monitoring report detailing time and number of people reached; 2) CB/CW survey results; daily results will be entered into the DNR CB/CW database; 3) ILIDS inspection data including set-up/maintenance, time and number of launches and potential violations; 4) Verification of workshops and/or inspector training such as agendas and attendance lists; 5) Copies of brochures, educational materials, and mailings; 6) Report on construction/maintenance of signage; 7) AIS related materials generated or paid for by this grant.

Special project conditions: The shall immediately contact the DNR in the event of a new aquatic invasive species infestation.

This scope summarizes the project detail provided in the application and does not negate tasks/deliverables described therein. Data, records, and reports, including GIS-based maps and digital images, must be submitted to the Department in a format specified by the AIS Coordinator. It is recommended the Grantee provide the AIS Coordinator with a draft final report. If consultant is to provide final report, it is recommended that Grantee provide AIS Coordinator with a draft for comment on report adequacy prior to making final payment to the consultant.

**Objective:**  
**Comments:** Grantee is YELLOW LAKES AND RIVER ASSOCIATION  
**Outcome:** As part of a grant awarded in May of 2010, YLRA continued with its I-LIDS video inspections of boats at 3 launches on Yellow Lake. This was augmented by paid CBCW inspections, volunteer boat launch inspectors, educational materials, and training to the lake association membership on AIS issues including education and soliciting volunteer support. This final report references other documents and describes required deliverables.
