

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-221-12
Name: LAKESHORE NATURAL RESOURCES PARTNERSHIP INC.: Building Capacity for the Friends of Hika Bay
Type: River Grant
Subtype: River Planning Grant
Status: COMPLETE
Start Date: 07/01/2011
End Date: 12/31/2012
Purpose: The Lakeshore Natural Resources Partnership, Inc., proposes to supplement and build on previous work by partners to raise public awareness and participation in water stewardship. Specifically, Lakeshore Natural Resources Partnership will focus on building the capacity and membership of the Friends of the Hika Bay and Centerville Creek groups. Activities include two water seminars, an explore and restore event on the creek, a paint-out event with the Water's Edge Artists, three strategic planning meetings, aquatic invasive species control efforts and several news letters and newspaper article releases. The overall project goals are to build the capacity of the Friends of Hika group to protect and improve Centerville Creek. The project elements and deliverables will be completed as described in the project proposal submitted to the Department and dated April 28, 2011.

Objective:
Comments: Grantee is LAKESHORE NATURAL RESOURCES PARTNERSHIP INC.
