

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-235-13
Name: NAMEKAGON RIVER PARTNERSHIP INC: Building the Capacity of the Namekagon River Partnership
Type: River Grant
Subtype: River Planning Grant
Status: COMPLETE
Start Date: 07/01/2012
End Date: 12/31/2015
Purpose: The Namekagon River Partnership is sponsoring a project aimed at growing the organization\2019s capacity.

Project goals include: 1) Recruiting new members and volunteers, and establishing and maintaining strong relationships with other stakeholders; 2) Effectively collaborate with agency and tribal river management staff; 3) Identify and review previous studies; 4) Gather data needed to assess the current health of the upper Namekagon River, and develop protective strategies; 5) Raise public awareness of, and support for river health through on-going educational outreach, providing citizen-based experiences through hands-on participation, and by developing citizen action skills for protection and preservation; 6) Identify future funding sources to secure necessary funding and maintain long-term donor and grantor relationships.

Project deliverables are a final report including: 1) Information on capacity building (number of members, volunteers and stakeholders); 2) Summarize effectiveness of collaborations with other partners including outreach efforts; 3) Completing an Organizational Assessment; 4) Developing an appropriate river study; 5) Identifying and securing funding sources for that study.

Specific project conditions: 1) The WDNR will be provided electronic and hard copies of all data and or reports/plans generated as a result of this project.
