

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: CLMN-20120619-Plymouth
Name: Citizen Lake Monitoring Training - Plymouth DNR Service Center - 6/19/12
Type: Citizen Lake Monitoring
Subtype: Training Sessions and Workshops
Status: COMPLETE
Start Date: 06/19/2012
End Date: 06/19/2012
Purpose: Through this free program, volunteers are trained to identify and report occurrences of aquatic invasive species (AIS). Workshop attendees will learn AIS life cycles, instructions on how to organize an effective monitoring team; a timeline of where and when to look for AIS; and instructions on what to do if you suspect that you have found an invasive plant or animal. Hands-on training will be provided. Workshop hosts will provide a monitoring kit at no charge (one free kit per lake). Additional kits and supplies helpful in assisting you in the collection and identification of the plants and animals will be available for purchase. These materials are optional, but many volunteers find them useful. To register, or for more information, contact Jon Motquin, Shawano County AIS Coordinator, at 715-526-4626 or jon.motquin@co.shawano.wi.us. For more information on the CLMN program, visit <http://www.uwsp.edu/cnr/uwexlakes/clmn> .
