

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: PWS_Plans
Name: Priority Watershed Plans
Type: Watershed Planning
Subtype:
Status: ACTIVE
Start Date: 01/01/1980
End Date: 12/31/2099
Purpose: Priority Watershed Plans serve as the state's Nine Key Element Plans for all areas that were covered under this program. When the Priority Watershed Plan expires, the state will need to create an updated Nine Key Element Plan for these high priority areas.
Objective: This project provides an overall project underneath which all the state's priority watershed Plans are stored. For more information, go to Online Pages for PWS and Nine Key Plans
